

Mori Building Establishes Subsidiary Company in Singapore Aims to Strengthen Real Estate Development in Southeast Asia

Tokyo, May 27, 2016 – Mori Building Co., Ltd., a leading Tokyo-based urban real estate developer, today announced that it has established a subsidiary company in Singapore, aiming to strengthen its research and marketing capabilities focused on real estate investment, development and consultation in Southeast Asia.

Overview of New Subsidiary Company in Singapore

Name:	Mori Building Asia Pte. Ltd.
Address:	Level 39, Marina Bay Financial Centre Tower 2, 10 Marina Boulevard, Singapore 018983
Telephone:	+65 6818 6088
Managing Director:	(Mr.) Hiromichi Shinohara
Established:	May 26, 2016
Activities:	Research and marketing targeting real estate investment, development, and consulting

Mori Building reorganized the former China Business Department as the International Business Department in 2013 and established a Representative Office in Singapore in 2014. The company is steadily expanding operations in emerging cities throughout Southeast Asia, as well as China, having first entered this region in the early 1990s. Mori Building group already operates offices in Shanghai, Seoul and Singapore.

Going forward, Mori Building aims to continue expanding its urban-development activities throughout Asia, building upon the extensive capabilities and knowhow it has developed in the markets of Tokyo, Shanghai and other key global cities.

About Mori Building

Tokyo-based Mori Building Co., Ltd. creates groundbreaking concepts for urban living throughout Japan and the rest of Asia. As one of Japan's leading urban landscape developers, Mori Building engages in urban redevelopment, real estate leasing and management, and consultation for leisure complexes, offices and high-class residences. Two of its most noted developments are the Roppongi Hills complex in Tokyo and the Shanghai World Financial Center. Mori Building was established in 1959. Visit www.mori.co.jp/en.
